WHITBREAD 50% TRADITIONAL IN NORTH MANCHESTER

On 22nd February all the Whitbread pubs in North Manchester were surveyed. 22 out of 40 outlets were serving traditional beer and the beer was well kept in virtually every case. Six pubs near the city centre sold both mild and bitter but there were only 3 outlets for cask conditioned Trophy. The complete list of outlets is:

Brick House	СВ	Star & Garter	СВ
Bridge Inn	CB	Magpie	CM
Royal George	CB,CM	Heaton Park	CB
Mamas	CB, CM	Farmyard	CB,D
Red Bull	CB,CM	Clough	CB
Hat & Feathers	СВ	Broadway	CB
Land o'Cakes	CB,CM	Golden Lion	CB
Mother Mac's	CB,CM	Billy Greens	CB
Crown & Anchor	CB, CM, T	53	T
Edinburgh Castle	T	Empress	CB
Cob o'Coal	CM	Crown & Cushion	CB

 $CB = Chesters \; Bitter; \; CM = Chesters \; Mild; \; T = Trophy; \; D = Duttons.$  This picture is very encouraging and it is hoped that the progress will be sustained. Roger Hall

# GHOULY HOST

The managed house division of Wilsons, Watneys, Grand Met or whatever it was called was the first pub owning group to inflict theme pubs on an unsuspecting public. Remember the Wrecker and the Jules Verne? You'd think they'd have learned their lesson, wouldn't you? Well they haven't. Not to be outdone by the loony Whitbread conversions, the Host Group (for that is this year's name) propose to outhorror the . Houses of Horror. With almost 300 pubs from North Wales to Humberside and from Stoke on Trent to the Lake District, Pennine Hosts are in an excellent position to wreak havoc should they wish. The proposals are so outlandish they read like the script of a second rate satirical comedy - but they're real. This is what they want to do - honest, we've not made them up....

THE ENGLISH ALE HOUSE - "everything associated with the traditional English pub."

THE BEER FACTORY - "the lowest price beer in the area."

ETHNIC THEMED PUB - "a little larger than life."

THE LOCAL - "designed to cater for particular ethnic or national groups."

THE TAVERN AND THE RESTAURANT - "pubs with food all the time."

PUB 80 - "American style bar lounges."

PUB 80 PLUS - "the same with many extras."

THE PUB SHOP - "hitting back at the off licence."

SLOTS OF FUN - "entertainment all day."

BAR CAFE - "cosmopolitan style."

WHOLEFOOD HEALTH - "health and fitness centres."

BARNABYS - "fixed price restaurants."

DRIVE INNS - "fast food restaurants for the motorist."

BIG APPLE - "full of sophisticated fun."

That's it. Great isn't it? Bruce Cunningham of Pennine Host will be coming to North Manchester's 10th Birthday meeting on March 21st at the Lord Nelson in Ringley, so why not come along and find out whether your local is going to be turned into a licensed amusement arcade or a gymnasium for trendy be-leotarded drunks.

This summary gives the bare facts in numerical form. It tells how many have what and how much it cost, and it could be called an "Infiltration" survey. In this respect it gives little cause for concern.

But the detailed comments from CAMRA South Manchester members gave a very different picture — "average", "bland", "boring", "characterless", "nondescript", "ordinary", "unimpressive" — these are only some of the uncomplimentary remarks under the heading "Character of

Beer". Can this really be the famous Boddingtons? What has happened to the "distinctive bitter tang" and "appealing nutty flavour"? To be fair, there were some complimentary remarks, but they were by far outnumbered by the uncomplimentary. It was the bitter that got the real drubbing — mild drinkers seemed to be quite impressed by the flavour but (back to the numbers again) there is no mild in one third of the outlets.

So what of the future? Strong ale is only a memory, mild outlets are disappearing, and the bitter...?

# WHAT'S DOING

# REAL ALE IN OLDHAM

This issue carries the fourth edition of the comprehensive list of Oldham's real ale outlets. In the two years since the last edition, the major event affecting the real ale scene in the borough was Boddingtons' takeover of OB. In 1982 one could only drink OB in OB houses and Boddies in Boddies house. Now, of course, we can sample Boddies (bitter only) in some OB houses and also have the dubious pleasure of drinking OB (keg mild and bitter only) in many Boddies pubs. However, in Oldham itself the arrangement has significantly reversed the previous trend, and the availability of cask beer has improved in the last year. It does seem unfortunate, thouch, that a

switch back to real OB ales has to be accompanied by a blitz on the pubs themselves. There are many ordinary back-street OB houses where a return to cask beer would be welcomed - without recourse to the builders and plastic potted plant suppliers!

## 100th WHAT'S DOING - THE WINNING NUMBERS

As promised last month, a grand draw took place at the February North Manchester branch meeting at the White Swan, Swinton. Mine Host George Fildes drew the following numbers out of the bag:

	Branch	(Reserves)
0814	South Lancs	0565 Rochdale, Oldham, Bury
2408	North Manchester	0890 South Lancs
1266	Trafford & Hulme	0865 South Lancs
0046	Rochdale, Oldham, Bury	2535 North Manchester
0322	Bolton	2405 North Manchester
Booby	Prize 1400 South M/cr	1824 South Manchester

If the first five numbers are unclaimed, then the reserve numbers, in order, will be used as replacements — So please claim if you have a reserve number. Claimants should send the copy of What's Doing, which will be returned if you include a s.a.e., to What's Doing Winners, 37 Oaklands Road, Edenfield, Ramsbottom, Bury BLO OLR, giving their names and addresses. If already a CAMRA member, give the month that membership is due for renewal. The lucky booby prize winners should also send details of whom they would like to entertain, at their own expense, and where and when this is to take place — to be confirmed by both parties, of course. A list of winners' names will be printed next month. All claims to be made by March 16th.

The What's Doing Special Offer, also featured in last month's What's Doing, for CAMRA membership at £5 is still open. Closing date has been extended to March 31st, by popular demand. Please use the form in the Centenary Issue.

### WHAT'S GOING ON?

An application has been made by a Manchester builder to alter the Queens Arms on Red Bank and install a first floor bar. The "For Sale" sign, however, remains on this former Tetley pub.

# BLACKLEY BOOST

The Hilltop on Heaton Park Road is now serving cask conditioned, hand-pumped Tetleys bitter and mild. There are now only three non-real ale pubs in Blackley.

# selbbos year of (ying result TORY ALE) 80 painting to equesely

Broadbottom Conservative Club in Tameside now sells Tetley bitter and Ind Coope Burton Ale by handpumps.

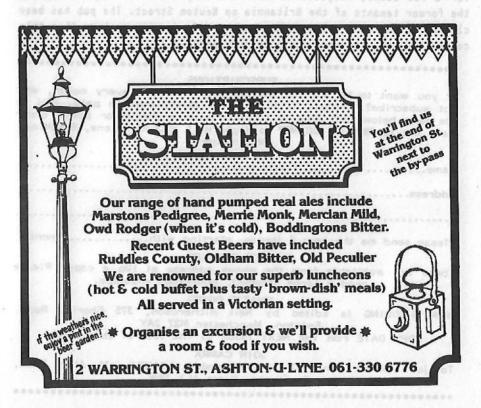

#### MOONRAKER

Lees have reintroduced their draught Moonraker strong ale. From the end of January the beer has been available from:

Clayton Arms (Latics Club), Chadderton
Spinners Arms, Woodbrook, Springhead (GBG 1984)
Albion, Drury Lane, Hollinwood
Hare & Hounds, Higginshaw Lane, Royton
Gardeners, Grimshaw Lane, Middleton Junction
Firwood, Joshua Lane, Middleton Junction ("brewery tap")
Lodge Bank Tavern, Bridgeman Street, Bolton
Dog & Partridge, Brook Street, Ashton under Lyne

# STAFF OF LIFE

The Staff of Life, Cross Lane, Radcliffe, is soon to serve handpumped Chesters mild in addition to the Castle Eden which is usually in excellent condition. Landlord Geoff Hilton reckons he sells three times more Castle Eden than keg Trophy — possibly because customers requesting bitter are asked for their preference, which is a nice change from the usual lunge for the Trophy pump in most Whitbread houses.

## LOST LOCAL

Newton le Willows drinkers got an early Christmas present from their friendly brewers Greenall Whitley when the Oddfellows Arms in Earlstown was closed late last year. The Oddfellows, or Glass Barrel, as it was affectionately known, was a fine example of the old-fashioned corner local, selling good quality traditional beer. Greenalls decided to close the pub when the landlady announced her retirement. It is difficult to understand their thinking (thinking?), as recent housing development in the area would surely have added to the already not inconsiderable local trade. Of course, it goes without saying that Greenalls own the vast majority of pubs in the Newton le Willows district. Recognising that the Oddfellows should not be lost without a fight, a petition of 2,000 signatures was raised and sent to the brewery. When contacted by the local newspaper, Greenalls denied all knowledge of the petition. The brewery has once again ignored its customers - aspiring members of Greenalls Appreciation Society (GAS) please note.

# STILL ROUND THEIR NECKS

The Millstone, Thomas Street, Manchester, which has been boarded up for a few weeks, reopened on 20th February under the supervision of the former tenants of the Britannia on Newton Street. The pub has been cleaned up and now has more emphasis on food. Wilsons hope that this commodious pub will once again be successful.

# DRIVEL

The Lamb, Regent Street, Eccles, is to appear in a Granada Television series called "Bulman", the sequel to "Strangers". The producer, someone by the name of Steve Hawes, declares: "In the script it is supposed to be a London pub and the Lamb has got the atmosphere of a London pub. It is not typically northern."(!) Come on Holts, sue the bugger!

# BAY HORSE

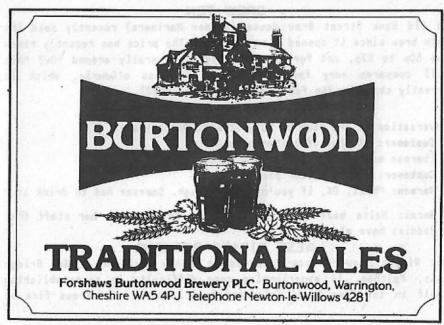

Wilsons have managed to get shut of the Bay Horse on Thomas Street, not far from the Millstone. It is now waiting for tenants in its new role as commercial premises. This locality was recently declared a "Commercial Improvement Area" and work is expected to start on the site in about six weeks time.

## SADDLEWORTH BEER FESTIVAL

The sixth Saddleworth Real Ale Festival is to take place on Friday/Saturday/Sunday 11th-13th May. For the hairy-chested rugby types who have difficulty in deciding between a good real ale festival and the annual trek to Wembley, they can rest easy. They can do both this year! The festival will open Friday 5.30-11.00pm, Saturday 11.30-3.00 pm and 5.30pm-11.00pm and Sunday 12.00-2.00pm. Full details next month

# MOP POP

The Weavers Arms, commonly known as "The Mop", off Halliwell Road, Bolton, now sells Youngers IPA (65p), alongside Castle Eden on hand-pump. This is the only outlet for IPA in the Bolton area.

## RAILWAY

The Railway, a Boddingtons house on Commercial Brow, Newton, Hyde, is undergoing alterations and extensions. It is hoped that the atmosphere and character of this ex-GBG pub will be retained.

# WHERE ARE THEY NOW?

A search of North Manchester's archives has unearthed the membership register from the 1970's (discontinued when HQ threatened to close down branches with an attendance of less than 30). Will any of those stalwarts turn up at the 10th Birthday of the branch on 21st March? Among those attending during 1974 were: Bill & Margaret Calvert, M Wolstencroft, M Brown, S Walsh, J Hughes, P Whipday, F Hudson, C Leach, D S Smith, S B Yates, J M Howard, A J Moody, Neville Kenyon, Ian Makin, David Dodd, Malcolm Hall, John Barnes, Alan Compayne, Mike Dickson, Mick Day, M Webb, John Ward Knowles, Brian Farnworth, W Shawcross, Allan Horsfall, Harold Pollard, Ian Warren, Lynne Hughes, A Cheesebrough, David Hudson, Chris Tyldesley, P Becket, Iain Watson, as well as some of the ageing, shambling drunks who are still with us today. All will be welcome at the Lord Nelson in Ringley.

# RAILWAY AND (MORE) COMMERCIAL

It is rumoured that the Railway and Commercial at Springhead (also known as the Front House) is soon to be revamped by Boddingtons at great expense. It is understood that the interior is to be gutted so that a new atmosphere can be created that will attract a younger clientele. The Railway and Commercial currently sells bright OB beers — is this another pub which will gain Boddies bitter only? Watch this space...

# BREW TEN

The Old Bank Street Brew House (former Mariners) recently sold its tenth brew since it opened two months ago. The price has recently risen from 60p to 62p, and for an o.g. which is generally around 1042 this still compares very favourably with the Lass o'Gowrie, which is currently charging 74p for its LOG 42 (o.g. 1042).

# CLUB NEWS

Conversation in GPO Club on Quay Street, Manchester:

Customer: "A pint of bitter please."

(barman moves directly to Boddingtons tap.)

Customer: "Holts bitter please."

Barman: "Well, OK, if you're daft enough. Someone has to drink it."

Moral: Holts have still some way to go to reach bar staff that Boddies have already got to!

the old premises. The brewery is looking for outlets in the Greater Manchester area (probably concentrating on the north, but who knows). For the present, it is worth noting that the Floating Light at Stanedge will soon be selling WR bitter alongside its wealth of other hand-pulled ales (exit Toby Light).

# CULTURAL (S)NOTES

Handpumped Stones bitter (63p) is now on sale in the Stage Door Bar (open to the public) of the Palace Theatre on Oxford Street, Manchester. Ask for traditional, though, as the fizzy version is also available.

# ROSY FUTURE?

The Rose Hill Tavern (Greenalls), Manchester Road, Bolton, is up for sale. Rumour has it that it will be bought by the same firm that has bought the Gypsies Tent in Bolton. Let's hope this means a better choice of beer for the Bolton drinker.

Eddy Nestfeather has not been the same since he got religion as a result of tripping over the dog dispense system at the Cock and Pullet and falling A over T onto a hogshead of Boringsods Kamikazee Winter Ale. Not only does he visit the Slumley Tabernacle and pledge his chattels to the Lord, but has become censorial and expurgatory to a degree unparallelled in the history of journalistic endeavour. Any reference to naughty parts or thingy is swiftly excised or rendered innocuous by his blue pencil.

Avid readers of What's Doing have been unable to keep up with developments in pairs press ups competitions where Mr Chestnut's marine performance has been overtaken by Mr Bulldog's epic marathon in a Scrotton left luggage office. Nor have recent outbreaks of minion spanking been reported. This is just not good enough. These matters are of such importance not to be left to the whims of misplaced prudery.

Minion spanking is a recently revived public house tradition which was commonplace 100 years ago but died out after the Great War as domestic servants declined in number. What happens is that the Master of the House discovers a member of his staff, usually female, who has committed some minor misdemeanor. In return for not being reported to the Bow Street Runners, the transgressor agrees to allow the Master to remove portions of her clothing and slap her buttocks with the palm of his hand! In London the phenomenon known as "the pansy spank" has been observed where male employees who've been naughty get slapped bottoms from the boss.

Spankees are difficult to recognise but the spanker can usually be identified by his hesitant speech, involuntary facial movements and the spanker's wrist, which is often supported by a leather strap or large watch. The movement has gained so much popularity that an inaugural meeting of CAMSPANK is to take place in April when the Grand Archspanker will be elected and a number of notable spankees will be passed around the entourage.

# SHUTTING TIME

Sir - Maybe I'm the only person about pedantic enough to care about such things, but for the sake of innocent purchasers of the topers' vademecum it should be stated that the Unicorn in Manchester City Centre does not observe the 11pm Friday and Saturday extensions, as it closes at 10.30 each night. This is said to be a direct result of the 10.30 chuck-out at Yates's round the corner, which formerly led to an influx of Blob-maddened gentlemen of limited public acceptability.

# TEGESTOLOGICAL TAVERN TODDLE

Iechyd da, Rhys P Jones

Sir - The British Beermat Collectors' Society is having a swapping session-cum-pub crawl in Manchester on 7th April. We are starting off at the Unicorn at 11.30, then on to the Castle, Land o'Cakes, Crown & Anchor, Churchill, Rembrandt, New York, then the Jolly Angler for the start of the evening session. All collectors are welcome, just bring a large bag and plenty of mats. If anyone wants any more information they can contact me. Could a Manchester CAMRA representative be around to sell some local guides to the lads that turn up? This is a trial meeting and I hope it catches on.

Alan T Gardner, 4 Beech Road, Leyland, Lancs PR5 2WS

# DIDSBURY DEFINED

Sir - In reply to Phil Jordan's "correction" in last month's WD concerning my listing of the pubs of Didsbury, the Barleycorn is, in fact, in West Didsbury, not Didsbury. Didsbury, West Didsbury and East Didsbury are three different districts within the City of Manchester. The other two pubs in West Didsbury are Buddies (formerly the Midland) (Chesters) and the Railway (John Smiths), opposite. East Didsbury has one pub only, the Gateway (Hydes), which is the meeting place for South Manchester's CAMRA branch.

# SILLY SINCLAIRS

Sir - It is with regret that I write of an incident which took place last Friday evening at Sinclairs in Shambles Square, Manchester. On our arrival we were greeted by a gorilla and a woman on the door, which was locked, and were told that we could not go in! How many others have been caught in this way? Why is this establishment included in a guide for real ale drinkers, when they are not being allowed in for a drink? It is not a nightclub or "fun pub", so what is

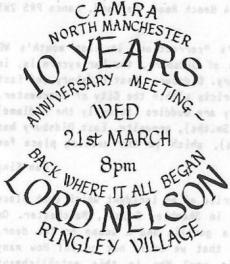

happening? Perhaps someone could shed some light on the matter. Meanwhile, be warned! Glyn Birkin

### SILLY EDDIE

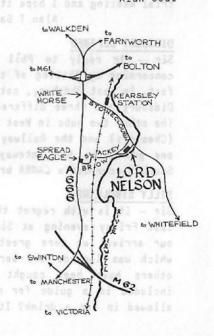

Sir - Shame on you! You made a mess of my article on the Keepers Inn (WD Feb) by giving the impression that a "keeper" was a person who works on a canal. Any bargeman worth his salt, however, will tell you that a "keeper" is a large wooden shutter on a lock and can only be seen in pairs around Wigan's waterways. My original letter was not so misleading as the one that you printed!

# BAD GUIDE

Sir - Having been resident in the Manchester area for just over a year and having explored my local pubs, I decided to send off for a copy of the Greater Manchester Good Beer Guide. Imagine my disappointment when I discovered that it was at least two years out of date, to the extent that a number of pubs currently in the National Good Beer Guide are not included. I do realise that it is impossible to reprint the book every few months, but surely supplements can be inserted and after a period of two years the book should be either revised or withdrawn from sale. Imagine the frustration of some unsuspecting new arrival to the area as he searches vainly for the Navigation in Hyde or for those so elusive outlets of Pollards bitter or Whitbread Special Cask Bitter. I would like to contrast this with the Bradford Real Ale Guide, which I ordered last year and received complete with supplement bringing it right up to date.

Members of founding branches - ROB and Bolton - especially welcome

# STRANGE PUB NAMES - No.1 THE SPANKING ROGER

This modern pub which is just off Oldham Road, Miles Platting, derives its name from a notorious 18th century womaniser - one Roger Aytoun. Originally from Inchdairnie near Kinglassie in Fyfe, Roger Aytoun was a dashing cornet of dragoons quartered in Manchester in 1769. According to the somewhat coy Manchester City News "Notes & Queries": "He was six foot four inches high, and was such a remarkably fast young gentleman that he acquired the soubriquet of 'Spanking Roger'." Despite his reputation, Roger Aytoun married a rich 65 year old widow, Barbara Mynshull of Chorlton Hall. However, he seemed more interested in squandering his wife's fortune than in spanking her and in 1774 he sold Chorlton Hall, Garratt Hall and Hough Hall, all of which belonged to his wife. Barbara died in 1783 and is buried in Manchester Cathedral. Roger remarried a Miss Jean Sinclair, reached the rank of Major General and died in 1810. His name lives on in Aytoun Street in the city centre and in the Spanking Roger, perhaps the only pub name to honour a libertine. Roger Hall

# THE KATHMANDU, 42-44 SACKVILLE STREET, MANCHESTER

Although an entry in the 1984 Good Curry Guide is not in . an unequivocal accalso olade. the Kathmandu appears in the Good Food Guide (1981-1984) and authentic Nepalese food in an atmosphere somewhat opulent than your average high Indian restaurant. street

Main courses include Chicken Tielin, Lamb Mohglai, Shish Kebab, Chicken Kebab, Chicken Masala, Bhuna Gosht, as well as vegetarian dishes and the chef's specialities Rani Chicken and Sha Hipasanda. None of your three different strength sauces poured over reheated prawns, chicken or whatever, here. Although there is a cover charge of 25p and a 10% service charge, poppadums etc are free and the proprietor will be pleased to guide the uninitiated through the menu. Similar in some respects to the Gaylord and the Rajdoot, the Kathmandu is somewhat cheaper — an average meal will set you back about £6 and the quality is really good.

We at Robinson's think that what matters most about beer is its flavour. That's why we are still brewing beer the ogo. Natural ingredients, the same timesame way that we did a hundred years honoured brewing ways, even on the same site - not many can say that!

And you can buy at least one, usually Best Mild Ale two and sometimes more of the traditional ales listed here in any Robinson's pub within 100 miles of Stockport. Not many can make that sort of claim either.

Now you can have Real Ale at home for parties or just for your own enjoyment. Available in Firkins and Pins\*, complete with tap, stillage and detailed instructions. You can order from any Robinson's On or Off-Licence or Unicorn Wine Shops.

# Best Bitter Ale

Always available from Unicorn Wine, Lower Hillgate, Stockport, (just by the Brewery) 061-480 6571. And it's the cheapest way of buying beer. A little more trouble perhaps but we think you will agree with us that it is worth it.

There are deposits on the casks, stillages and taps, returnable in full when you bring them back. You can borrow glasses, paying only for those you break or fail to return providing you also make appropriate purchases of items to fill them.

We strongly recommend that you place your order as soon as possible for Christmas or New Year use.

It's Robinson's . . . for Real.

When you buy any of these Robinson's Ales, you are buying Traditional Draught Beer -at its very best.
